CONSTRUCTION WORK ALERT – WAGGA WAGGA BASE HOSPITAL PARKING

Work to construct new on-grade car parking as part of the \$431 million Wagga Wagga Health Service (WWHS) Redevelopment Stage 3 is due to commence next week.

Construction exclusion zones will be established at various locations within the Northern Car Park from 7am, Monday 12 October.

At any one time, a maximum of 25, two-hour timed public parking spaces will be temporarily closed and there will be diversions to footpaths. There will still be 185 public car parking spaces available in this area of the campus.

Traffic control will be in place to ensure the safety of motorists and pedestrians.

The work on the Northern Car Park will continue until late 2020.

The WWHS Redevelopment is on track for completion and operational commissioning of the new building in early 2021.

Further information on the WWHS Redevelopment is available [here](#).
