Dear Ms McEntee

**Wagga Wagga Hospital Redevelopment Stage 3 (SSD 9033)
Construction Compliance Report October 2019**

I refer to the first Construction Compliance Report (Compliance Report), dated 30 October 2019 for Wagga Wagga Hospital Redevelopment Stage 3 (the development), submitted for the Secretary's consideration, as required under Schedule 2, Condition B30 of the development consent SSD 9033, as modified (the consent).

The Department notes that this was not submitted to the Department until 23 April 2020, in contravention of the consent.

The Department has assessed this non-compliance in accordance with the Department's Compliance Policy and in this instance has determined to record the breach in our system. At this stage, no further enforcement action is proposed. Please be aware that recording of the breach does not preclude the Department from taking alternative enforcement action, if it becomes apparent that an alternative response is more appropriate.

Please also note that this non-compliance will be taken into consideration in the assessment of any future breaches of the consent, in accordance with the Department's Compliance Policy. A copy of the Compliance Policy is available at <https://www.planning.nsw.gov.au/-/media/Files/DPE/Plans-and-policies/compliance-and-enforcement-compliance-policy-2018-04.pdf>.

Should you need to discuss the above, please contact Georgia Dragicevic, Senior Compliance Officer, on (02) 4247 1852 or by email to Georgia.Dragicevic@planning.nsw.gov.au.

Yours sincerely
