

Tuesday 6 October 2020

Interruptions due to Stage 3 works

- There'll be an outage of free-to-air and in-house television channels in Wagga Wagga Base Hospital and Support Services Building from 10am to 11am on Friday 9 October 2020.

This outage is necessary as part of communications work for the new Stage 3 building.

- Work to construct new on-grade car parking as part of the Stage 3 project is due to commence next week.

This will mean construction exclusion zones will be established at various locations within the Northern Car Park from 7am, Monday 12 October until late 2020.

At any one time, a maximum of 25, two-hour timed public parking spaces will be temporarily closed and there will be pedestrian diversions on footpaths.

Traffic control will be in place to ensure the safety of motorists and pedestrians.

Thank you for your cooperation.
