

Friday 3 April 2020

Keeping you informed

Removal of gazebos

Please be aware, the two gazebos and two tables and benches at the front of the health campus will be removed during the week commencing Monday, 6 April 2020.

The removal is part of preparations to relocate the hoarding for the WWHS Redevelopment Stage 3 construction site.

We apologise for any inconvenience. Thank-you for your ongoing patience as the \$431 million Redevelopment is in its third and final stage.

For queries contact the Stage 3 Project Team via email WWHSR3@health.nsw.gov.au
