## Level 1 link way works

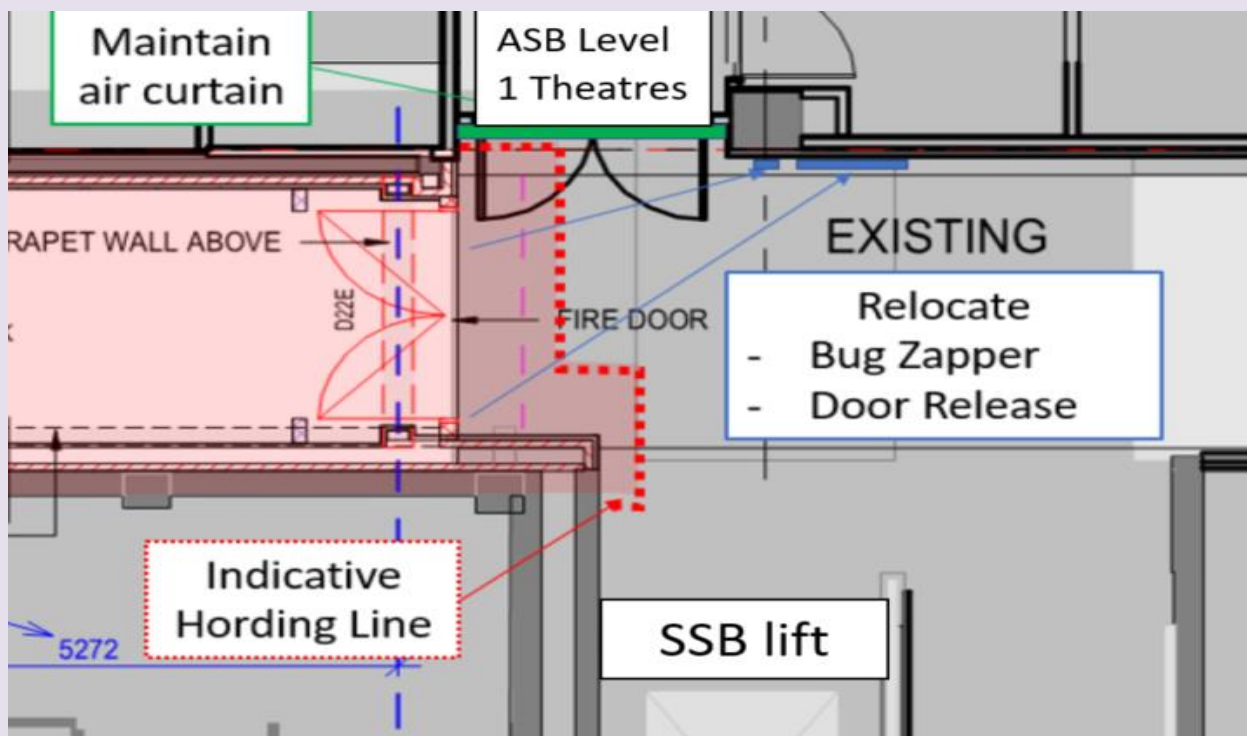

Construction of a link way from level 1 of the new Stage 3 building to the Wagga Wagga Base Hospital is progressing.

As a part of these construction works, hoarding will be erected on level 1 of the Hospital (in the area between the Support Services Building lift and the Operating Theatres of the Acute Services Building) to enable the breakthrough of the linkway into the Wagga Wagga Base Hospital.

This will mean only one of two doors between the theatres, change rooms and Support Services Building lift area will be available for staff.

This work will take place for approximately 3 weeks from 7am Monday 19 October 2020 to 6pm Friday 6 November 2020

*Thank you for your cooperation.*
