Keeping you informed

Pedestrian access changes for staff

Please be advised that there will be significant changes to how you can access the Support Services Building (SSB) & Acute Services Building (ASB) off Docker Street from next week.

An exclusion zone will effectively close the driveway between the WWHS Redevelopment Stage 3 construction site & UNSW Rural Clinical School in Harvey House. This zone will be enforced from **7am, Tuesday 18 to 6pm, Monday 24 August 2020** to allow CPB Contractors to remove sheds from the Stage 3 construction site.

Please note:

- Staff will be able to access the SSB & ASB via the entry next to Medical Records or the entry near to the Banksia Clinic.
- Cyclists who normally use the bike shed in this area can access a secure bike rack in the Stage 3 site compound. Please contact MLHD Project Manager – Redevelopment Kate Kennett on 0477 313 622 for details.
- Patient Transport vehicles will continue to access the Transit Unit via a traffic control officer.

Thank you and we apologise for any inconvenience.

For further information, please contact

WWHS Project Manager - Redevelopment
Kate Kennett - 0477 313 622
