## UPDATE: Pedestrian access for staff

Due to recent rain, an exclusion zone remains in place between the Stage 3 construction site and the UNSW Rural Clinical School in Harvey House.

This means that pedestrian access to the Support Services (SSB) and Acute Services buildings (ASB) from the driveway off Docker Street will be **closed** until  
**7am Monday 31 August.**

### **Please note:**

- Staff will be able to access the SSB & ASB via the entry next to Medical Records or the entry near the Banksia Clinic.
- Cyclists who normally use the bike shed in this area can access a secure bike rack in the Stage 3 site compound. *Please contact MLHD Project Manager – Redevelopment Kate Kennett on 0477 313 622 for details.*
- Patient Transport vehicles will continue to access the Transit Unit via a traffic control officer.

*Thank you for your cooperation.*
