Link way to new Stage 3 building

The new Stage 3 building will be connected to the Wagga Wagga Hospital (WWBH) building on the ground floor, as well as by linkways on levels 1 and 4.

Work on the level 4 link way into the WWBH Rehabilitation Gymnasium will be undertaken from 4pm to 7.30pm during the week and 7.30am to 7.30pm on the week-ends **from Monday 21 September 2020 to Friday 2 October 2020.**

This work will see the relocation of exercise equipment, erection of hoarding, use of hand drills and drivers as well as demolition and construction.

There will be increased noise for staff, patients and visitors.

We apologise and thank you for your patience during the Stage 3 project. Please feel free to contact the Stage 3 Project Team on email
