## Wiradjuri Naming Working Group

We are seeking volunteers to join the Wiradjuri Naming Working Group for the third and final stage of the Wagga Wagga Health Service (WWHS) Redevelopment. The selection of Wiradjuri as the language for the signage in the new building is in recognition that the WWHS is on Wiradjuri land and that it is the language of First Nations people. As a member of the Working Group you would:

- Select appropriate Wiradjuri names and descriptions for signage for designated spaces in the new Ambulatory Care Building (Stage 3 building)
- Recommend Wiradjuri signage for the new Ambulatory Care Building
- Review and approve Wiradjuri signage for the new Ambulatory Care Building.
