The development consent is subject to conditions, which are attached. The reasons for the conditions are contained in the assessment report which is available on the website:

The endorsed plans are attached.

The consent operates from 20 December 2018.

The consent lapses on 20 December 2023 (five years from now) unless the development has physically commenced before that date (in the case of development consent for the erection of a building, subdivision of land or the carrying out of a work) or if the use of land, building or work is actually commenced before that date.

The Independent Planning Commission has not conducted a public hearing in respect of the application.
