Electrical disruption

There'll be an interruption to lighting and power supply in the Wagga Wagga Base Hospital foyer and café **from 8.30pm to 11.30pm on Wednesday 28 October 2020.**

During this period, electrical circuits will be relocated as part of construction works for the new Hospital entrance.

Temporary lighting will be installed in the entry and exit areas.

Staff requiring after-hours access from 8.30pm are requested to access through the Emergency Department.

Apologies for the inconvenience and thank you for your ongoing cooperation during the third and final stage of the Redevelopment.
