NEW FRONT DOOR, FORECOURT AND MORE PARKING

The Wagga Wagga Health Service campus redevelopment has reached an exciting milestone.

Wagga Wagga Health Service Director Helen Cooper said the front door, forecourt and car park will be officially handed over from the builders to the hospital **tomorrow, Friday 8**.

The public will be able to access the new car spaces and new front entry access from **9am**.

“The completion of the front door and forecourt along with more parking spaces signals the end of stages 1 and 2 of the \$282.1 million hospital redevelopment,” Ms Cooper said.

“This is a very exciting time for our patients, staff and the community and I would like to thank everyone for their patience.”

Planning for stage 3 is well underway with enabling works for Stage 3 advancing quickly.
