

**DATE: FRIDAY 23 APRIL 2021**

**SUBJECT: CONSTRUCTION WORK NOTICE**

---

***Please attribute to Murrumbidgee Local Health District Chief Executive Jill Ludford***

The final stage of works on the \$431 million Wagga Wagga Health Service redevelopment is nearing completion.

Upcoming works include the installation of Wagga Wagga Base Hospital signage on the Health Services Hub. Work is scheduled to commence at 7am, Monday 26 April 2021 and continue during the week, weather depending.

The signage complements Wagga Wagga Base signage installed at the campus' Edward Street entrance and on the ground floor of the Hospital.

The aluminium signage will be installed on the roof of the level 4 external area of the new Health Services Hub which faces Edward Street.

We continue to work with our building contractor to minimise disruption to patients, staff and visitors. While these works are underway, there will be a construction exclusion zone on the ground floor terrace and in the northern car park. Traffic management and temporary pedestrian diversions will be in place.

There is also new wayfinding signage for the new Health Services Hub adjacent to Wagga Wagga Base Hospital.

For more information about the project please visit
