## On the move

A number of key Wagga Wagga Health Services (WWHS) are temporarily relocating to make way for the third and final stage of the WWHS Redevelopment.

The **Wagga Wagga Aged Care Services** team is the first to relocate to **19-31 Peter Street in Wagga Wagga** from Thursday 28 June 2018.

Wagga Wagga Aged Care Services acting Manager Kylie Stein says the relocation from Johnstone Street to Peter Street should be complete by early July.

Patients will start using the new building from Wednesday 1 August.

Wagga Wagga Aged Care Services includes Aged Care Assessment Team, Regional Assessment Service, Transitional Aged Care Program, Geriatric Medicine, Allied Health services, Commonwealth Home Support programs – including Occupational Therapy

### Other community-based MLHD services relocating to the Peter Street site include:

- Community Care Nursing and Community Wounds Clinic
- Palliative Care; Cardiac and Respiratory Rehabilitation
- Staff from South West Brain Injury Rehabilitation Service.

They'll relocate from the **middle of August**.

Once the WWHS Redevelopment **Stage 3 is complete**, the community-based health services will move into a multi-storey, purpose built facility adjoining the new Wagga Wagga Base Hospital.

**The NSW Government has committed \$170 million dollars to the WWHS Redevelopment Stage 3.**
